Expansive but not expensive lowset family home

Don't let this super 4 bedroom lowset to be built get away. Based on a level site in a quality street amongst other quality homes. Featuring a Master suite with Walk in Robe and a kitchen with heaps of bench space and overhead cupboards. This one is great for entertaining and the family and Master suite all open to the alfresco. The yard has room for a pool and the block is wide and presents beautifully to the street. Because the home is to be built you even get to choose your own colour scheme and can make changes to the design to make it your own.

OJ Pippin Homes can build this home on your land, or we can source land in your desired area.

Included into this price: Site Costs + 2740 Ceiling Heights (covenant requirement)

A True Full Turnkey Package including these key features:
